MEET US AT LOGIMAT
HALL 8 | F05

March 11-13, 2025 | Stuttgart, DE

Growing our product family. Expanding your possibilities.

We develop the world's easiest AMR solution to meet the true needs of our customers' material handling processes. We believe in changing perspectives and challenging the status quo. We pave the way for new and improved material handling solutions by leveraging precision, safety, simplicity and cutting-edge technology.

That's why we are pioneers once again. Be the first to meet our newest AMR.
